By signing this form you are confirming that you have got all the relevant parental or guardian permissions and/or consents required (this should be in the form of a signed letter from parents or guardians). Informed consent is important and it is your responsibility to ensure that the young people and their parents are aware of this.

- 3) Delegates and parts of the Conference may be filmed by the official young documentors. By signing this form and sending it in to us you are giving permission for the people mentioned on page 2 to be filmed or have their photographs taken for future possible Conference or other promotions.
